

Chapter Meeting

Tuesday

December 29, 2009

At 7:00 p.m.

Holiday Greetings,

It's time to get organized for our annual Ruffed Grouse Society fund raiser. The banquet will be held on April 10th at the Egan Center. This year it will be very important to get new volunteers as some of our long time helpers will not be available or are only here for a limited amount of the time. RGS Alaska does a lot of good things on the ground to create habitat and hunting opportunities for Alaskans and we hope you will be a part of this fine group as we move forward this year.

The start up meeting will be at Bella Vista Restaurant in Peters Creek on December 29th at 7 PM. Get to Bella Vista off the south Peters Creek exit of the Glenn Highway. We will have dinner followed by an organizational meeting. We will elect officers and get organized for the April fundraiser.

Plan to attend and get involved with a group that is fun to work with and one that makes a real difference in our hunting opportunities.

Good Hunting,

Gereth Stillman

RGS Alaska President
