Directions: From Atlanta go north on I-85 to I-985 and stay on I-985 to Exit 20 – Candler Road and Highway 60. Exit to the right onto Candler Road and go about 1½ miles. On your right look for a small black and white sign that says CGC. It will be right past a truck and refrigeration company. Enter the property and come to the clubhouse. From other directions, well...you are grouse hunters, you can find it!!!
