

Ruffed Grouse Society

Doubles Club

If you have shot a double on grouse or woodcock and would like to become a member of this unique club, please complete the application form below.

To qualify you must be a current RGS member.

You will receive an official certificate commemorating your achievement, and an exclusive honorary pin.

The RGS doubles pin is 1" in diameter and has a pewter finish. Each pin illustrates your double type - either two grouse, two woodcock or one of each.

What is a double?

RGS defines a double as the occurrence of two grouse, two woodcock, or a grouse and woodcock (a mixed double) that are in flight at the same time, and are successfully harvested by one hunter.

Please note: the birds must be in flight at the same time when harvested to qualify as a true double.
